**CDBG National Disaster Resilience Assistance  
Grant Terms and Conditions  
Shelby County, Tennessee  
(Disaster Recovery Appropriations Act, 2013 P.L. 113-2)**

---

1. The grantee must use these Community Development Block Grant National Disaster Resilience (CDBG-NDR) funds in accordance with Public Law 113-2, Disaster Relief Appropriations Act, 2013 (approved January 29, 2013) (Appropriations Act). This Grant Agreement governs the use of all funds made available to the grantee under grant number B-13-US-47-0002.
2. In accordance with the Appropriations Act (Section 904(c) of title IX in division A), the grantee is required to expend the funds obligated in this Grant Agreement within two years of the date of obligation, unless the Department has granted the grantee an extension. On July 18, 2016, the Department granted Shelby County an extension of the expenditure deadline of these grant funds to September 30, 2022. Funds not expended by this extended deadline will be recaptured.
3. The grantee must comply with all of the requirements of the June 7, 2016, *Federal Register* Notice "Notice of National Disaster Resilience Competition Grant Requirements," 81 *Federal Register* 36557. The grantee must also comply with any future Notices that HUD publishes to issue additional waivers and alternative requirements.
4. The grantee must comply with the Housing and Community Development Act of 1974, as amended, and the regulations governing the CDBG program at 24 CFR part 570, unless the Department has waived any of these requirements or established alternative requirements.
5. The grantee's submissions, the Notices identified in paragraph 3 (above), and the Funding Approval/Agreement (HUD-7082) are incorporated by reference and constitute part of this Grant Agreement. Submissions include the CDBG-NDR Phase 1 and Phase 2 submissions (Applications) and subsequent amendments, including all required certifications and assurances, and any other information or documentation required to meet any grant award conditions.
6. The grantee must comply with the requirements of 24 CFR part 5, subpart K, Application, Registration, and Submission Requirements, and 2 CFR part 25 Universal Identifier and System for Award Management (SAM). The grantee must have an active registration in SAM in accordance with 2 CFR part 25, appendix A, and must have a Data Universal Numbering System (DUNS) number. The grantee must also comply with provisions of the Federal Funding Accountability and Transparency Act, which includes requirements on executive compensation, and 2 CFR part 170 Reporting Sub award and Executive Compensation Information.

7. The grantee must complete or implement the long-term commitments stated in its CDBG-NDR Phase 2 Application as approved by HUD within 12 months of its CDBG-NDR grant award announcement letter in January 2016. Any changes to the grantee's long-term commitments are subject to the requirements described in the June 7, 2016, *Federal Register* Notice "Notice of National Disaster Resilience Competition Grant Requirements," including requirements relating to the DRGR Action Plan and amendments.
8. The period of performance for this grant begins on April 4, 2011 and ends on September 30, 2022.
9. Grant funds may be used for payment of indirect costs pursuant to 2 CFR 200, Subpart E - Cost Principles. The grantee must attach a schedule to this Grant Agreement that is returned to HUD. The schedule must identify each department/agency that will carry out activities with the funds under this grant, the indirect cost rate applicable to each department/agency (including if the de minimis rate is charged per 2 CFR 200.414), and the direct cost base to which the rate will be applied.
10. This Grant Agreement covers a total amount of \$60,445,163. The funds must be used in accordance with the projects and budgeted amounts, including leveraged resources, listed in the table in **Attachment A**. These projects are described in further detail in the grantee's Phase 2 Application and were subsequently adjusted through scaling and scoping and post-award consultation between the Department and the grantee. The projects and budgeted amounts in the table in **Attachment A** reflect the final approved CDBG-NDR grant to be carried out by the grantee under this Grant Agreement. The projects and amounts may not be adjusted without HUD approval and amendment of the Grant Agreement.
11. In accordance with 2 CFR 200.113, the grantee must report all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting this grant to SAM. The grantee's responsibilities are further described in the term and condition in **Attachment B**.
12. **Special conditions for levees or levee systems.** The grantee shall comply with all special requirements in the June 7, 2016 *Federal Register* Notice related to levees and levee systems. For each levee or levee system funded under this Grant Agreement, the grantee must upload into DRGR and, if directed by HUD, the National Levee Database, a shapefile or other geographic information system data delineating the exact location of the assisted structure and of the area served and protected by the structure, as well as data for input to the National Levee Database, as described in the June 7, 2016, Notice at 81 *Federal Register* 36579. **(Appendix XII to 2 CFR Part 200—Award Term and Condition for Recipient Integrity and Performance Matters)**

### ***1. General Reporting Requirement***

If the total value of your currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then you as the recipient during that period of time must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition. This is a statutory requirement under Section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by Section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

### ***2. Proceedings About Which You Must Report***

Submit the information required about each proceeding that:

- a) Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;
- b) Reached its final disposition during the most recent five-year period; and
- c) Is one of the following:
  - (1) A criminal proceeding that resulted in a conviction, as defined in paragraph 5 of this award term and condition;
  - (2) A civil proceeding that resulted in a finding of fault and liability and payment of a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more;
  - (3) An administrative proceeding, as defined in paragraph 5. of this award term and condition, that resulted in a finding of fault and liability and your payment of either a monetary fine or penalty of \$5,000 or more or reimbursement, restitution, or damages in excess of \$100,000; or
- (4) Any other criminal, civil, or administrative proceeding if:
  - (i) It could have led to an outcome described in paragraph 2.c.(1), (2), or (3) of this award term and condition;
  - (ii) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and

(iii) The requirement in this award term and condition to disclose information about the proceeding does not conflict with applicable laws and regulations.

### *3. Reporting Procedures*

Enter in the SAM Entity Management area the information that SAM requires about each proceeding described in paragraph 2 of this award term and condition. You do not need to submit the information a second time under assistance awards that you received if you already provided the information through SAM because you were required to do so under Federal procurement contracts that you were awarded.

### *4. Reporting Frequency*

During any period of time when you are subject to the requirement in paragraph 1 of this award term and condition, you must report proceedings information through SAM for the most recent five-year period, either to report new information about any proceeding(s) that you have not reported previously or affirm that there is no new information to report. Recipients that have Federal contract, grant, and cooperative agreement awards with a cumulative total value greater than \$10,000,000 must disclose semiannually any information about the criminal, civil, and administrative proceedings.

### *5. Definitions*

For purposes of this award term and condition:

- a) Administrative proceeding means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (e.g., Securities and Exchange Commission Administrative proceedings, Civilian Board of Contract Appeals proceedings, and Armed Services Board of Contract Appeals proceedings). This includes proceedings at the Federal and State level but only in connection with performance of a Federal contract or grant. It does not include audits, site visits, corrective plans, or inspection of deliverables.

  - (2) The value of all expected funding increments under a Federal award and options, even if not yet exercised.
